ACCOUNTABILITY AGREEMENT – WE ARE THE CLAPTON CFC

- We accept that each of us is individually responsible for our own actions and we are collectively responsible for supporting those around us.
- We start from a position of believing and supporting people when they share their experiences with us.
- We accept that other people's lives and histories are invariably different to our own and try to avoid making assumptions about the opinions, background, cultures and identities of others.
- We try not to judge, compete or put each other down. We approach every situation with an open mind.
- We notice and respect each other's physical boundaries and understand the importance of always checking first before crossing them.
- We are mindful of the space we take up and if we are used to talking, we also need to listen to the wisdom that others bring to our organising and discussions.
- We try to communicate in an open, clear and uncomplicated way. We are aware of how the language we use can shut down other people's opinions and exclude participation, even when we do not intend to do so.
- Accountability means that each of us is ready, when challenged about how we act and how we speak, to take on board other's points of view, take responsibility for our actions and make amends in the ways that are asked of us. This accountability is also expected of people and groups working with us.
- If we witness actions or behaviour that is harmful, oppressive or discriminatory, we will challenge it constructively and not leave this to those who are most affected by it or assume others will deal with it.

CLAPTON CFC vs
ISLINGTON BOROUGH
LADIES FC

2.00 PM NOVEMBER 10,
2019 AT THE STRAY DOG

ISLINGTON BOROUGH LADIES FC

Greater London Women's Football League Division-One

TODAY, CLAPTON CFC'S WOMEN'S TEAM play their 10th game at the Stray Dog, including pre-season and cup games. For this fixture, we welcome Islington Borough Ladies Football Club.

Islington currently have 6 teams: U9, U10, U12, U14 and U16 – as well as the women's team. They play their home games at St Aloysius Playing Fields in Highgate. Their women's team played in the GLWFL Division 2 North during 2017/18 and were promoted after a successful season. A mid table finish last season (18/19) shows the strength and depth they have as a squad at this level.

Islington Borough Ladies Football Club currently sits comfortably in third place in Division One Greater London Women's Football League. Having played 6 games so far, they have won four (against Regents Park Rangers, Hampton & Richmond Borough, Brentford and Luton Town), drawn one (against Comets), and lost one. Their one loss came in their latest league game, where they lost 1-6 at home to Dulwich Hamlet Reserves.

Having played against Islington Borough in Division Two during the 2017/2018 season (as AFC Stoke Newington), we know them well and there is always a bit of friendly rivalry. Bring it on!

PATRICK MCLAUGHLIN

WOMEN'S TEAM HEAD COACH

GOOD AFTERNOON EVERYONE AND WELCOME to Islington Borough for today's League fixture.

We're well in to the thick of things now, with last weekend's match marking a third of the season complete. In our previous home game two weeks ago, we lost to one of the two teams to have made an incredibly strong start and broken away at the top of the league, Crystal Palace Development. The 4-1 score line didn't reflect the game accurately, as we played well at times, but they were thoroughly deserving winners. We finished the game strongly which gave us momentum going into the following week.

Only our second away game of the season, a trip to Hampton and Richmond, ended in a 2-2 draw. Although we felt we had enough opportunities to put the game beyond them in the first half, lapses in concentration let them build into the

game. Nevertheless, I was really pleased with the character the whole team showed to battle back after going 2-1 down, capped off with a fantastic strike from Zhane Amoaten. With neither side able to win it at the death, the middle of the league is extremely tight, with four teams (including ourselves and Hampton) level on 8 points.

Today's opponents started the season very strongly, unbeaten in their first five games. However, this came crashing to a halt last week, losing 6-1 to Dulwich Hamlet Reserves and we can expect a strong performance as they look to bounce back from that result. Next week we travel to Dulwich ourselves, who would appear to have suddenly hit form after a slow start. The result against Islington was just their first win of the season, albeit after a series of postponed games, including our original fixture. Enjoy the game!
