

# SUPER-SUB VIEIRA

Larissa Vieira scored a stunning last-gasp winner against Hampton & Richmond Borough to take Clapton CFC to the top of the table.

## TOO SOON?

Is it too early to look at the league table? Not when you're top, it isn't!

Three wins on the bounce have taken the Tons to the summit of the Greater London Women's Football League Premier Division.

OK, so we've played more games than the rest of the league, and last season's champions Walton Casuals are level on points with a 100 percent record.

Even so, let's savour this mini-milestone, we look like we've stepped up a level from the third from bottom finish last season.

## ENFIELD TOWN LADIES RESERVES PREVIEW

Greater London Women's Football League Premier

**CLAPTON'S WOMEN'S FIRST team will be looking to continue their highly positive start to the season when they welcome Enfield Town Ladies Reserves to the Stray Dog.**

After the thrashings of Crystal Palace Development and Regents Park Rangers, they had to dig deep to break down Hampton and Richmond Borough last weekend.

This weekend's visitors are playing their first season in the GLWFL Premier, replacing Luton Town Reserves. They have had

a win, a loss and a draw in their three games so far. They went down 2-1 to Islington Borough on the opening day.

But since then things have been looking up with a 1-1 draw away to Dulwich Hamlet Reserves and a 2-1 win over Crystal Palace Development.

This will be the second meeting between the teams since AFC Stoke Newington turned into Clapton.

Hosts Enfield won a friendly back in August 4-3, in the first game back post Covid break. It was also the first game with the new management team of Claudio Gomes, Brian Bramble and Jack Francis.

The Tons played an entirely different team in each half. As such, the scoreline on that occasion may not tell us too much.

In the 2018/19 season, when Stoke Newington finished second to earn promotion from the GLWFL Division North 2, Enfield were just one place behind.

## TWO TIMES FIVE

Following on from their trophy winning first season, the women's 5s team are now seeing double - not from celebrating too much, but because we now proudly have two teams entering the Super 5 League this season.

Our original 5s team, coached by Ellie Guedella, are competing in the Flexi-league again to defend their title, with the season due to have started on Thursday.

The team are looking forward to competing against two new entrants into their league - Brockwell United and Coats & Goalposts.

Meanwhile coach Julie Leaff will be seeing her newly-formed 5s enter the Beginners League next week, starting on Tuesday against Wapping FC.

The team was formed in the same way as our original 5s team, from women and non-binary people who have come to our free weekly training sessions and have shown an interest in becoming more competitive.

With a spot opening up in the increasingly popular Super 5 League, it seemed only natural to enter another team and give even more women who are new to football the chance to get involved.

We are really excited and proud to continue our expansion. We now have men's and women's first teams, men's and women's development teams, two women's 5s, an under 8s and even a cricket team.

## CLAUDIO GOMES WOMEN'S TEAM HEAD COACH

IT IS GOOD TO BE BACK HOME AFTER playing two long distance away games. Firstly, I want to thank the supporters who made lengthy trips in recent weeks to support us. I think we gave them plenty to shout about and are really hitting our stride now - hopefully we can continue that and put on a show for even more of our fans at home.

The last two games finished with two vastly different scorelines but a similar story, where

we were really strong in and out of possession. The main differences to note in the 0-1 win were 2 last-minute changes to the starting 11 and a smaller pitch, both affecting our initial game plan in the attacking third.

But adjusting the plan at half-time made us much more dangerous in the second half and the final score reflected our dominance. The team was extremely focused throughout the game, showing perseverance and determination to follow the plan and earn a deserved 3 points.

Today we face Enfield Town Reserves who we lost to in our first pre-season friendly. In the 8 weeks since, we've trained intensively and we believe that the team has developed massively. We understand the opposition's qualities and will be mindful of those, but are now more experienced, organised and creative. The girls understand the plan and style of play much better, and will be approaching this match with every intention of getting all 3 points.
