GEOFF OCRAN MEN'S TEAM HEAD COACH

OVERALL I WOULD SAY THAT last week's 5-2 defeat against old rivals NW London was definitely our worst performance of the season to date. A lack of discipline, naivety in parts, with a real lack of leadership and accountability the moment we came up against adversity in the game. A trend we will not allow to continue as this league is all about constantly finding different solutions to different questions.

NW London didn't play any differently to what we have been accustomed to. However, on reflection, we simply didn't have the personnel on the day to carry out the game plan over 90 minutes. So as a management team we also

need to assess how we approach games depending on who we have available.

Our priority over the next few games is to simply stop conceding so many goals and then we can build a solid platform from there. We should not be conceding 5 goals at home against anyone in this league.

Today is the final home game in a run of three so it's imperative we get a result today and put on a performance to make up for last week. From the management to the players, we know that wasn't good enough from the bar we have set this season and we'll look to put that right today!

BIGGEST GAME OF THE WEEKEND

Our biggest game of the weekend is the **Women's FA Cup** tie back here tomorrow. Our history-making team will take on St Margaretsbury FC at 2pm. We made headlines two seasons ago with our astonishing run to the Third Round - can we go on a run again? **Bring your friends and family!**

CUP TIE DATE

The men's first team's Essex FA Cup tie against higher level opponents Little Oakley FC has been scheduled for Tuesday, October 3 at 7.45pm. This is due

to be our first midweek night game with the floodlights due to be repaired by the end of September. It will be one of six home games in the space of 22 days!

HODDESDON TOWN

THURLOW NUNN EASTERN COUNTIES LEAGUE DIVISION ONE SOUTH

HODDESDON TOWN WAS ESTABLISHED in 1879 and started playing at its current Low Field ground in 1882. The highlight of the club's history must be winning the FA Vase at Wembley in front of 9500 spectators in its first ever season, 1974/75.

In recent seasons they've flitted between the Essex Senior League and the Spartan South Midlands League but were relegated from the latter to the Eastern Counties League this season.

PREVIOUS MEETINGS

This will be our first ever meeting.

FORM GUIDE

This season they've started well with two wins out of three, although they've also been hit with some bizarre postponements. At Southend Manor the pitch was still a construction site, while the ref called off the game at Tower Hamlets due to excessive goose poo. All games have been away so far - they are due to play their first home game of the season next Saturday.

PLAYERS TO WATCH

New signing Jamaine Galya has scored three goals already for The Lilywhites this season.
