## GEOFF OCRAN MEN'S TEAM HEAD COACH

A LOT HAS BEEN MADE OF our unbeaten run along with which teams have a budget and which teams don't this season etc... However, the focus for us still remains to find a way to impose our style of play in every game we play. That won't be possible every week but it's a challenge we are loving each game and also trying to counteract what the opposition do in response to our game plan.

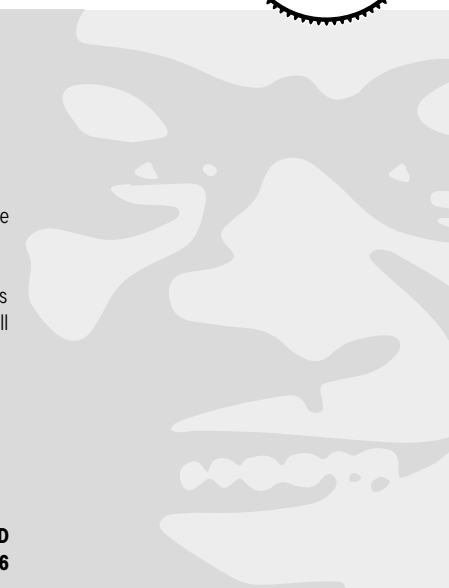

The Harlow game was a great example of two teams trying to gain the upper hand with few clear cut chances however, I would say it was

a better result for us away from home considering they desperately wanted to end our run.

This afternoon we take on Park View for the first time and though we are at opposite ends of the table, one thing this league has continuously demonstrated is that positions can be deceiving. So there will be no room for complacency.

Professionalism will be the buzz word of the afternoon as aim to stay keep our place near the summit of the table with Cannons Wood on the horizon next Friday.

## TOY APPEAL

This weekend we're once again collecting for the annual Newham Christmas Toy Appeal at both our home games. Now in its 46th year, this project provides a stocking of new gifts to children who may otherwise have nothing to unwrap on Christmas Day. Please stick some cash in the bucket if you can afford it.

All money donated will be spent on buying presents for Newham's most underprivileged

children in advance of Christmas Day.

Toy donations can be made in person at the Terence Brown Arc In The Park, Canning Town, and Galleons Reach shopping centre. An online JustGiving page has also been set up.

## CHRISTMAS PARTY TONIGHT

All members, volunteers, supporters and their friends and family are invited to the Christmas Party tonight in the OSD Clubhouse. Festivities get under way after the match with last orders at midnight. DJs will play a variety of genres as well as some Christmas classics with food served from 8pm.

## MAGPIE PROJECT

We've restarted our hygiene bank collection at all first team home games. Thanks a lot to volunteers who make this happen.

Our charity partners Magpie Project need:

- Toothpaste ● Toothbrush ● Shower gel
- Shampoo ● Deodorant ● Sanitary towel

The collection box will be at the main entrance.

The Magpie Project is an independent charity based in Newham that works to support mums with children under 5 who are homeless or at risk of homelessness in Newham and surrounding boroughs. Here they tell us more.

### WHY UNDER 5s?

BECAUSE:

1 Pre-school children can be invisible to the services that are meant to support them, especially if they are subject to frequent moves, sofa-surfing or if their family fears sustained involvement with authorities due to the hostile environment. We work with children's centres to make sure they are seen.

2 Research tells us that the first few years of life set up your risk factors and brain chemistry for life. Getting enough to eat, the right shoes and clothes, the opportunity to play, supported, secure and engaged caregivers, means increased educational attainment, decreased risk of heart disease, diabetes, mental illness, and so on.

### WHAT DO WE DO?

It's not complicated, we start with curiosity and care. We ask mums how we can support them in looking after their children and then try to bring them what they need. We create a community of unconditional care and support around our families:

- Practically with nappies, travel money, clothes, equipment,
- Through advocacy and support – helping mums access the support to which they are entitled,
- By understanding and creative endeavours – to help mums and minis see and hear themselves and their stories,

- Through play, connection, joy and celebration (OK, and cake, there is lots of cake involved!).

We run drop-in sessions three times a week with singing, dancing, beauticians, case work, housing case work, Reiki, yoga, breakfast, lunch, nappies... you name it we bring the best of what our community has to offer to our mums and minis.

We also believe, and this is something we share with you, that the problems these families face are not down to their individual actions but are systemic.

We also hold our wider community to a high standard, asking everyone to take on the joint responsibility for #AllOurChildren.

And, crikey do you step up. With hampers at Christmas, gift bags at Eid, knitted items all year round, and of course the iconic Clapton Community Football Club hygiene bank.

Your donations are given out at our clothes clubs, and to families arriving at our doors with nothing at all. The basic dignity of a toothbrush, shampoo and sanitary items goes far beyond a price tag, but even more than the items is the care. Knowing that every corner of London is not hostile, that there are some people who care – is a massive boost for our families who are often unseen, unheard, ignored, marginalised and dehumanised elsewhere.

We are in awe of you all, and so proud of our partnership. Thank you for understanding the true meaning of community and solidarity.

## PARK VIEW FC

THURLOW NUNN EASTERN COUNTIES LEAGUE DIVISION ONE SOUTH

PARK VIEW ARE A NON-PROFIT CLUB formed in 1991 at Chestnuts Park in Tottenham with the aim of developing talents to progress through to professional football. The club originally drew many of its players from London's Ghanaian community. They joined the Middlesex County Football League Division One Central & East and won it in the first season - exactly like we did a decade later. Since then they've progressed through the levels while also forming a women's team and several junior teams. They also offer community fitness projects and free youth coaching sessions and support social diversity and integration.

## PREVIOUS MEETINGS

This will be our first meeting. We have played at their home ground of New River Stadium, though, against NW London.

## PLAYERS TO WATCH

Brandon Fulton is top scorer so far this season with 6 goals while also making the most appearances.

## FORM GUIDE

It's been a tough season so far, with a warning in September that the club would need to fold for financial reasons. They've managed to stay afloat but are in the congested area at the bottom of the table. However, their away record is top half standard with four away wins so far.
