MEET THE CAPTAINS

Each season the squad votes for a new captain and vice captain/s. This season our new captains and vices for both the Women's First Team and Reserves Team are...

FIRST TEAM

CAPTAIN: Emily Link

VICE CAPTAINS: Alice Sharpe, Egle Trezzi, Mim Chadwick and Lucy Spours

RESERVES

CAPTAIN: Elizabeth Atoyebi

VICE CAPTAINS: Lora Petkova and Mozaïen Tak

NEW FIRST TEAM COACH

Kevin Watts has joined the Clapton CFC Women's First Team coaching set-up as First Team Coach alongside Head Coach Jay Murray, Assistant Manager Brian Bramble and Goalkeeper Coach Sunny Hunjan.

Kevin has coached at boys development centres for Leyton Orient and girls development centres for London and Essex county FAs and worked for the FA as a coach mentor and tutor.

BIG BRENTFORD AWAY DAY

The Clapton CFC Women's First Team game away to league leaders Brentford has been switched to their main stadium.

The L&SERWL Division One North clash will take place Sunday, September 29 at 3pm at the Brentford Community Stadium aka the Gtech.

Tickets are available now. Children's tickets are free (under 18s), while adult tickets are just £2. Please check our website or social media for details of where to buy tickets so you're in among

the away fans.

It's going to be the biggest crowd in CCFC history and a unique experience for our players, coaches and supporters.

Last season, Brentford hosted Ashmount Leigh at the Gtech, with 4,856 spectators watching a 6-1 home win.

The season before, they recorded the highest ever attendance for a tier 6 women's game with a crowd of 5,116 for the 4-2 win against Watford Development.

ONE HUNDRED UP

A couple of milestone moments so far this season. Maria Mendonca, Emily Link and Li Steiner have joined Lucy Spours in hitting 100 competitive appearances for CCFC.

RESERVES TEAM

Our Women's Reserves Team are due to start life in the women's football pyramid today. Kick off against Tower Hamlets

Reserves is 2pm at Hackney Marshes so it sadly clashes with today's First Team game. Good luck to coaches Amii Griffith

and Johanna Kuosa and the team. Most home games will be at 10.30am so it should be possible to see both games.

JAY MURRAY FIRST TEAM HEAD COACH

THERE IS A DISTINCT FEELING the football gods have truly forsaken us at the moment. It's been an incredibly difficult start to our season where we have slipped to three straight defeats. Despite producing quite dominant performances, we have been punished for some unforced errors.

This is something as a manager you have to accept, having that lonely feeling travelling back home knowing a sleepless night is most likely ahead. No matter how much you try and switch on to something else it's at the forefront of your mind, over-analysing everything, questioning your decisions and trying to find answers.

The challenge is to stick to our beliefs, trust in each other and continue with the same conviction. You can get embroiled in outside

noise and that can be distracting. That's when you have to trust the process, I have full confidence in the team/staff and we will blank out any negativity and see beyond the misfortune of the past three games.

My energy is focused on this hardworking, talented squad and the excellent coaches that we have here, who are all dedicated to turning our impressive performances into results.

"THE CHALLENGE IS TO STICK TO OUR BELIEFS, TRUST IN EACH OTHER AND CONTINUE WITH THE SAME CONVICTION."

We are in-fact playing incredibly well - as indeed we have all through the entirety of our pre-season.

Our possession stats would make for very interesting reading, as we have faced teams so far who seem intent on sitting deep and looking to break on us. This may be something we will have to deal with more and I'm confident we have more than enough talent and creativity to unlock the opposition.

It's already shaping up to be a much tighter division than last season judging by the results so far. However, we need to keep pace with the early runners and will be determined to secure all three points today. I'm sure the OSD will be full of noise as we face yet another tough test. As ever thank you for all your support it's greatly appreciated.

LEATHERHEAD WOMEN

LONDON & SOUTH EAST REGIONAL
WOMEN'S LEAGUE DIVISION ONE NORTH

THE SUCCESSFUL MOLE VALLEY

Girls U18s team became

Leatherhead Women in 2020 and it's been a rollercoaster since. The Tanners were promoted in their first season, relegated in their second, and promoted again last season, their third. In fact they also won the league cup and reached the Capital Cup final too.

PREVIOUS MEETINGS

We met twice two seasons ago, with Leatherhead winning the first ever competitive CCFC game at the Old Spotted Dog Ground 2-1 in front of 400 spectators. We later gained some revenge, winning 4-1 away in a game moved to a 3G pitch at Surrey Sports Park in Guildford.

FORM GUIDE

No doubt our visitors will be buoyant after last season's promotion, and that's continued with big wins in the last two games - 6-0 in the league vs Richmond Park and 9-0 in the FA Cup at East Preston. They did begin the season with a 5-1 defeat, but that was against promotion favourites Brentford.

PLAYERS TO WATCH

Megan Button scored 23 last season and also scored against us the season before. Kacie-May Harlow wasn't far off with 17 goals last season. Many more of the team that spoilt our party two seasons ago are still involved, while they've added some quality including former Fulham player Emily Bird.
