WOMEN'S RESERVES TEAM

The new Clapton CFC Women's Reserves Team have started their first season in the football pyramid in fine style.

An 8-0 home win in their first ever game in the Greater London Women's Football League Division Two North, against Tower Hamlets Reserves, was followed by a 9-0 away victory over Frenford. Lauren McCook leads the way with 4 goals, with Oskia Summers, Tammy Hymas and Annie McGrath on 3.

Fixtures take place on Sunday, with home games taking place at Hackney Marshes at 10.30am, including today against East Finchley Reserves. However, away games often clash with Women's First Team kick off times. All support is welcome and appreciated.

BRENTFORD GAME NEXT SUNDAY

There's still time to grab a ticket for next Sunday's big game as the Clapton CFC Women's First Team visit league leaders Brentford.

The L&SERWL Division One North clash is at the Brentford Community Stadium aka the Gtech. The Bees' two previous women's football games there have been watched by around 10,000 fans in total so it's going to be the biggest crowd ever at a CCFC game so far.

Adult tickets are just £2, children's tickets are free (under 18s). If you want to be with / near the CCFC fans, please book in block \$107 or \$108. Book your tickets online via the Brentford website.

JAY MURRAY FIRST TEAM HEAD COACH

LAST WEEK'S GRITTY TENSE away win might just be the springboard this incredible group of players needed. The referee of course did his best to keep us desperately waiting for those three points somehow conjuring up 10 minutes of extra time.

We all know we haven't picked up the points tally our performances have warranted, and have been left really frustrated by recent results.

However, the coaching staff and I have always maintained our confidence in this squad. The team galvanised and produced an exciting attacking performance to beat in-form Denham 3-2 in a scoreline that in truth flattered our opponents.

It says a lot about the character of this group who could have easily started pointing fingers at each

"THERE'S SO MUCH MORE TO COME FROM THIS GROUP, WE HAVEN'T EVEN SCRATCHED THE SURFACE OF OUR POTENTIAL YET."

other or the coaches. That kind of internal noise would ultimately have proved to have been counter productive. Instead they have unified and delivered on the game plan, now we are all hungry to start climbing this league.

There's so much more to come from this group, we haven't even scratched the surface of our potential yet. We have a squad full of talent and now with crucially very healthy competition in every position

that's going to push us on.

We just need to keep performing and picking up those precious points and see where the journey leads, there's so much football still to be played anything is possible.

It's another difficult game this afternoon against Ashmount Leigh, who I felt were one of the best footballing sides we faced last season. I'm expecting a serious challenge from the visitors today and a very exciting game for the fans.

ASHMOUNT LEIGH WAS SET UP IN 2021 to give more opportunities for women in Surrey. They enjoyed two promotions on the bounce as well as lifting the League Cup then finished ninth in their first at this level last season.

Originally based in the village of Nutfield, they moved to groundshare at Dorking Wanderers' ground last season. The Ashmount name was inspired by the chair and vice-chair's college in the United States with Leigh in honour of the grandfather of their club secretary.

PREVIOUS MEETINGS

Last season we did the double with a 2-1 win at home thanks to goals from

subs Lenny Holmes and Marta Boiro and then a 4-3 thriller away with Maria Mendonca scoring twice plus goals from Egle Trezzi and Lucy Spours.

FORM GUIDE

Ashmount have been nothing if not entertaining with 19 goals in the first three games. The highlight is a 4-1 win over AFC Whyteleafe on the opening day.

PLAYERS TO WATCH

Former Crawley Wasps player Rosanne Fine has had an amazing start to the season with 4 goals in 3 games. Last season's top scorer Danielle Boyd is also off the mark.
