## MEN'S HEAD COACH

Another great win on the road last Saturday at Basildon Town was exactly what the doctor ordered following the AS London defeat the week before. Despite the major decisions not going our way against AS which turned the game, we didn't create enough goal scoring opportunities despite having the lion's share of possession.

So we set ourselves a mini target of 9 points from the next 3 games as Newbury Forest and Lymore Gardens keep winning at the summit and we don't want the gap to increase any further.

Basildon competed better in the second half but we didn't really look like conceding and we should have been ahead by more before the interval. So it was job done, clean sheet, home time!

We now look to take the momentum of last week into today's game vs FC Baresi who were on a good run not too long ago. We also need to deal with the expectations of being at home better as away teams set up to nullify us tactically.

It's a must-win game so we will be aiming to do just that by any means necessary.
