## HUTTON FC

Welcome to today's  
visiting players, coaches,  
supporters and officials

The Tons were formed in 1928 and now groundshare at Billericay Town. They are run as a charity and are one of the largest clubs in Essex with 750 players across 70 teams. They were promoted from step 7 [the Essex Olympian in their case] at the same time as us and have lost in the play-offs in the last two seasons.

## Form guide

Hutton are above us in the table, in second place. Since our meeting earlier in the season there's been a managerial change with former Runwell Sports boss Matt Rose taking over. His side has picked up 10 points from 5 games.

## Previous meetings

We finally beat Hutton at the fifth attempt in August, a 3-0 away win thanks to goals from Flavien Stierlen (2) and Fred Taylor. Two seasons ago we lost 2-1 away in the league cup, 3-2 away in the league and drew 1-1 at home. CCFC actually played our first competitive home fixture against Hutton in September 2018 in the BBC Essex Senior Cup, losing a 5-4 thriller.

## Player/s to watch

Classy winger Jonny Ashman is a former Old Spotted Dog Ground favourite. Top scorer Elliot Howson has 12 goals so far already this season.

## CLAPTON RARITIES ON SALE

Our annual collection for the **Newham Toy Appeal** takes place today and tomorrow. As well as a **bucket shake**, we're running a stall selling rare and old Clapton related merch, donated by fellow fans. You'll find the stall next to the regular merch stand inside the clubhouse. **New stock tomorrow too!**

## WARM CLOTHING COLLECTION

It's also our warm coats collection today and tomorrow. **Coats and jackets of all sizes are gratefully received,** from puffer to parka and duffel to down. Donated items will be given to **Newham Care 4 Calais** and **Wrap Up London**.

## LAST MIDWEEK GAME

The Men's First Team's London Senior Trophy tie at home against Sporting Hackney has been scheduled for **Wednesday at 7.45pm**. Barring a run of postponements, this will be **our last midweek home game** of the season, as the rest of the cup has already been drawn and we would be away every round.

## MEN'S HEAD COACH

Last Friday's loss away at Cannons Wood was really not the performance or result we wanted in preparation for the tough game against second placed Hutton today. We can only apologise to the travelling fans for the performance. Credit to Cannons Wood though. On the evening they punished every error we made and generally played with an intensity that we couldn't match for large periods.

After the AS London defeat here a month or so ago, we really needed 9 points from the next 3 games to regain the form we had prior to that. In traditional Clapton fashion, though, we like to do things the hard way and we ended up with only 4 points. There is a great opportunity to put things right today against play-off rivals Hutton who will be looking to avenge their early season defeat despite it being under the previous manager. We also want to maintain our place in the table, we don't want to get dragged back into the chasing pack outside the play-off positions.

We should have a few players back from injury to bolster us this week and we may rotate slightly for the cup game here against Sporting Hackney on Wednesday. However, a good performance is due, especially after our mixed recent run of results at home. Our bid to make the Old Spotted Dog Ground a fortress again needs to start sooner rather than later.
