OPPONENTS

RICHMOND & KEW

Welcome to today's visiting players, coaches, supporters and officials

The club was formed in 1906 as St Anne's Kew, changing its name in 1911 to Kew Association FC and then its current name in 2020. The men's team joined the Southern Amateur League in 1925 so are celebrating their centenary. In 1996 they managed to find their own ground at Ham and they now have dozens of youth and adult teams. The women's team was formed in 2021 and enjoyed two promotions in their first three seasons. Last season - their first at this level - they finished sixth, one place above CCFC.

Form guide

Richmond sit in ninth in the table with two wins so far. They beat Soccer Elite Football Academy 13-0, and also put 11 goals past Epsom & Ewell in the FA Cup, so they know where the goal is.

Previous meetings

All have been won by the away side so far. Earlier this season, we won 2-1 with both goals from Emily Link. Last season we won 3-0 away then at the Old Spotted Dog Ground, R&K came back from 2-0 down to win 3-2.

Player/s to watch

Izzy Rafique is top scorer with an impressive eight goals in 11 games.

CLAPTON RARITIES ON SALE

Our annual collection for the **Newham Toy Appeal** concludes today. As well as a **bucket shake**, we're running a stall selling rare and old Clapton related merch, donated by fellow fans. You'll find the stall next to the regular merch stand inside the clubhouse.

FIXTURES UPDATE

Our final chance to **lift a cup** is the London & South East Regional Women's Football League Trophy, although we have the hardest draw possible facing **Brentford**. That's here

next Sunday in the third of four home games in a row. We also now have dates for **Dulwich Hamlet Res** at home (January 4) and the trip to **Bromley's Hayes Lane** (February 22).

CLEAN UP NEXT SUNDAY

Our open grounds clean-up sessions take place here on the **last Sunday of every month from 11am to 2pm**. This month that coincides with the Brentford cup game, so come along early and help with improving the grounds and the pitch. All abilities welcome, no experience needed.

OUR OTHER TEAMS

Good luck to the **Reserves who are in cup action today** (Capital Cup away at **Tooting Bec Res**) with another cup tie (John Greenacre Memorial Trophy away at **Balham**) to come before Christmas. Go and win a trophy!

The **FTFA team have two games before Christmas** - 10am on Saturday, November 29

vs **FCP London Phoenix** and 12 noon on December 13 vs **Peckham Town**. Matches are at Clapham Common Northside.

Our **Devs** meanwhile play on the same days against **Alexandra Park Res** (1.30pm, Nov 29) and **Stonewall** (10.30am, Dec 13). Their venue changes regularly so check nearer the time if you want to come down and support.

CHRISTMAS PARTY

The **Clapton CFC Christmas party** will take place on the evening of **Saturday, December 20** at the **Old Spotted Dog Ground clubhouse**. Members, players, friends and supporters are welcome. You can come along and stay after watching the Men's First Team or just come along afterwards.

ALICE SHARPE

WOMEN'S HEAD COACH

Good afternoon and welcome back to the Old Spotted Dog for today's match against Richmond & Kew. A warm welcome as well to our visitors, their staff, players and supporters - we're glad to have you with us.

Last weekend's loss to Denham was a tough one to take. Not because we were outplayed, but because it felt like we never really showed our strongest selves. We were capable of winning that match - we all knew it walking off the pitch - but being capable only counts if you turn it into action. That's been focus this week: intensity, accountability, and a reminder of the levels we've already proven we can hit.

And today, we're home again. Over the past year, I've talked a lot about turning the OSD into our fortress, and that hasn't changed. What we've learned though, is that a fortress is only as strong as the mentality of those inside it. Teams come here and react in one of two ways: they either find this place intimidating, or they find it inspiring. It's our job to make sure it's the former for them and the latter for us, no matter what.

Your noise, your energy, your faith in this group - that's part of the foundation. The rest comes from us: playing with bravery, discipline, and belief in each other. See you on the touchline.

**"YOUR NOISE,
YOUR ENERGY,
YOUR FAITH
IN THIS GROUP
- THAT'S
PART OF THE
FOUNDATION."**
