## BRENTFORD FC

Welcome to today's  
visiting players, coaches,  
supporters and officials

Brentford Women began in 1990 and were promoted to the London & South East Regional Women's Division One North five seasons ago. The side went agonisingly close to promotion several times before finally achieving reaching the L&SERWFL Premier with a near perfect season last year. In the summer, long-term manager Karleigh Osborne moved to a club ambassador role. New boss Carly Williams has arrived from Arsenal, along with lots of new signings, as they chase another promotion.

### Form guide

Brentford won the first 8 games this season. However, they've drawn one and lost two since then. They beat Sevenoaks Town 7-1 in the previous round of this cup.

### Previous meetings

Brentford have won 6 of our 8 meetings, including 7-0 last September in front of a 3585 crowd. Our one draw was 2-2 at home late in the previous season, which contributed to Sport London e Benfica pipping The Bees to promotion. Our only win came in 2020/21, 3-1 on a very muddy Stray Dog pitch in Walthamstow.

### Player/s to watch

Ashley Cheatley has been shortlisted for the FIFA Marta Award for one of her 46(!) goals last season. Football freestyler Chelsie Berry is currently this season's top scorer with 6 goals having progressed from the B team.

# FUNDRAISER IS HALFWAY THERE

We're now about **halfway to our goal** to raise **£10,000** to complete the works to make our ground more accessible. If you take a look at the paths to the toilet block and the clubhouse, you'll see they're full of cracks, bumps, ledges and breaks

which make navigating the ground difficult for disabled supporters. Help us get there by the end of the year.

## LAST CHANCE TO BUY RARITIES

Our annual fundraising for the **Newham Toy Appeal** took place last weekend, raising hundreds of pounds from donations and sales of vintage merch. We still have plenty of rarities left which will be on sale again in the clubhouse today. After that, we'll put some of it on sale online. The charity donation will then be made in early December because, as part of the Big Give match funding period, the total we raise will be doubled.

## TWO MORE GAMES THIS YEAR

The Women's First Team are back at the Old Spotted Dog Ground for the fourth Sunday in a row **next weekend**. It will be our first meeting with **Camden Town**, who have impressed after

promotion last season. This will be the halfway point of the league season with CCFC in third place. That's followed by a mammoth away trip to **Herne Bay** on December 11 and a 3.30pm kick off.

## OUR OTHER TEAMS

Good luck to the **Reserves** who are due to have a third attempt at playing their **Capital Cup** away at **Tooting Bec Res** today, having had two postponements. Next Sunday sees another cup tie (John Greenacre Memorial Trophy away at Balham).

Both the **Devs** and the **FTFA** team have one more game each before Christmas on Saturday, December 13. FTFA play **Peckham Town** at noon on Clapham Common Northside and the Devs face **Stonewall** at 10.30am. Venue for that one TBC, check the website nearer the time.

## WOMEN'S HEAD COACH

Good afternoon and welcome back to the Old Spotted Dog for today's match against Brentford. A warm welcome as well to our visitors, their staff and supporters - we hope you enjoy the stickers.

It felt good to get back to winning ways last weekend. After the disappointment of the previous week, the players showed real character in how they responded. Performances like that remind us what we're capable of when we stay calm, stay connected, and trust in the football we've been working on.

Today will be another big test. Brentford are a strong side - we know that from our battles with them last season - and they've only strengthened since earning promotion. But these are the games you want as a coach and as a player: competitive, energetic, demanding. We're looking forward to the challenge and to showing what we've learned over the past few weeks.

Off the pitch, I want to highlight something even more important. Our fundraiser to make the Old Spotted Dog fully accessible is well underway, and it matters deeply. We all know how tough this time of year is financially, and none of us take donations for granted. But every contribution, no matter how small, helps us create a ground where disabled supporters aren't an afterthought - they're centred, welcomed, and able to experience football with dignity and ease.

This is a club for everyone. Let's get this fundraiser over the line together. See you on the touchline.
