OPPONENTS

ASHFORD UNITED FC

Welcome to today's visiting players, coaches, supporters and officials

The team began as Ashford Ladies in 1971, enjoying plenty of promotions and cup glory over the following decades and even reaching the Women's FA Cup quarter-finals in 1973. In 2022 they became part of Isthmian League men's side Ashford United. That season they won promotion to the London & South East Women's Regional League Premier Division, but were relegated after two seasons at tier 5.

Form guide

Ashford ended 2025 with back to back wins against Soccer Elite Football Academy and Richmond & Kew to move up to ninth place in the table.

Previous meetings

We won the away game 4-1 earlier in the season thanks to a Leigha Bradding-Butler hat-trick and one for Maria Mendonca. Last season, we recorded our first victory against the Nuts & Bolts, 3-0 in the L&SERWFL Trophy. In November 2022, a then capacity home crowd of 500 saw us lose 2-1 in the Women's FA Cup, Annie Lyons scoring our goal. In April 2023, we met in the L&SERWFL Trophy final at Maidstone United. CCFC battled back from 3-0 down to level it thanks to goals from Teju Callisto (2) and Verity Phillips. That took the game to extra time, where Ashford sadly won it 5-3.

CLAPTON COMMUNITY FC SHORTLISTED FOR FOOTBALL V HOMOPHOBIA AWARD

Clapton Community FC have been shortlisted for the **Non-League category at the upcoming Football v Homophobia Awards**, recognising clubs that champion LGBTQ+ inclusion across the game.

The nomination credits the club for "matchday activations, community partnerships, and a club culture with inclusion at its core." It's a nod to the work that has bubbled away both on and off the pitch: visibility campaigns, solidarity banners, allyship and year-round engagement with local LGBTQ+ groups and supporters.

CLUB'S LIVED VALUES

The Football Operations committee say the recognition reflects the club's lived values rather than a one-off campaign. "People here care about belonging, from the turnstiles to the terrace, you can feel that everyone is meant to be part of it."

The Matchday

committee added, "Football should be for everyone. Seeing the club back that up in public, not just in private, makes us proud."

Our Communications committee, indicates that the nomination is as much about the future as the past: "It shows we're heading in the right direction, but there's always more to learn and more people to welcome."

INCLUSION INITIATIVES

The Semi-Pro (Non-League) Game Award celebrates clubs outside the higher professional leagues in England, Scotland and Wales that have gone the extra mile to tackle exclusion. It highlights efforts such as internal inclusion initiatives, public support for LGBTQ+ rights, participation in campaigns like Football v Homophobia and Rainbow Laces, and community outreach.

Winners will be announced at an awards ceremony on Friday 6 February at the London Welsh Centre. Whatever the result, it's a proud moment for the club and a testament to everyone who helps make Clapton Community FC a welcoming place to play, support and belong.

ALICE SHARPE

WOMEN'S HEAD COACH

Good afternoon and welcome back to the Old Spotted Dog after what feels like a lifetime apart (in terms of W1T matches, at least). Special shoutout to the CCFC Grounds crew for making sure our pitch survives the winter blues, greys, and pelting rains. Let's all do them a favor by not walking onto the pitch unless you're in football boots and wearing a kit. Or an especially nice frock.

Many things have changed since our last match before the holiday break. Emily Link has a broken leg. We'll miss her on the pitch for the rest of the season. Luckily she looks remarkably similar to her fiancée, so if you squint at Lucy Spours when she ventures into the attacking third, you can almost pretend they're both on the pitch. A real two-for-one deal. Kaylee's still kicking despite the concussion she suffered in the same game that brought the broken leg and Marta Perez's injured thumb. Suffice it to say, the long holiday break was a good one for recovery.

Other things haven't changed - our trans teammates are still blocked from joining us on the pitch. I hope that in 2026 we can figure out how to take a stronger stand as a club, to drive effective protest and solidarity in a way that creates real change. I'll finish with a call that in this new year, you hold yourself accountable for trans rights in ways you haven't before. We must not allow ourselves to slide silently into compliance. We must not shrink in the face of hopelessness. We must stand up for the people we love and take risks for the sake of their lives. See you on the touchline.
