OPPONENTS

BARKINGSIDE FC

Welcome to today's visiting players, coaches, supporters and officials

Founded in 1898, Barkingside FC rose from the Ilford League to become a staple of non-league football, playing variously in the London, Essex, and South Midlands leagues and winning the London Senior Cup and several league titles. A young Jimmy Greave played a few matches for them in the 1950s. They enjoyed a three-year spell at Step 4 from 2013 and have been at Step 6 since 2019.

Form guide

The Side have won two out of two games since changing manager after losing to us in December. Joe Connor, formerly of Southend Manor, and ex Clapton FC manager Mike Walther are now jointly in charge.

Previous meetings

We've won three out of three meetings so far, including the 4-0 win away with goals from James Briggs 2, Pete Jamieson and Andre Odeku. Two seasons ago, we won 2-1 away with goals from Briggs and Terry Amofo and 4-0 at home thanks to a Julian Austin hat-trick and a Sherwin Stanley.

Player/s to watch

David Collis has scored in both goals since arriving with the new management. Two players with experience of the OSD are Lee Flavin and Aundre Spencer.

FIXTURE REPLAY

The Clapton Men's First Team home game against Brimsdown, which took place in early January, has been declared void and will now be **replayed**.

Brimsdown, who won 2-0, were found by the Eastern Counties League Committee to have fielded an unregistered player.

The rearranged game is on **Tuesday, March 3 at 7.45pm** at the Old Spotted Dog Ground.

NEW SCARF ON SALE

We have a limited run of 250 scarves in the colours of the **trans flag: light blue, pink and white**. The slogan 'Football has no gender' features on both sides. They're on sale at the merch stall today or

online. All profits will go towards **providing and expanding trans inclusive football provision within our club** - whether that's competitive non-FA games, training, tournaments or other.

MEN'S HEAD COACH

It's funny that when results are a bit indifferent or we've just had a defeat, these columns are actually easier to write. When everything is going to plan, discussion points are few and far between, besides all the managerial cliches.

A huge credit for this run of results has to go to the wider squad and the coaching team as the season could have fizzled after we exited our final cup competition at Tooting Bec last month. However, a new level of focus and determination has arisen to put us back into contention.

We also feel the latest additions to the squad in Alfie Francis and Will Miller help raise the bar at the top end of the pitch and the ability to win the tightly contested games with a moment of brilliance. Defensively, four clean sheets out five give us the foundation to win any game so it's coming together at the right time but I must stress there is still a lot of work to do.

We have a run of fixtures that look favourable on paper but this league is full of banana skins so if we become complacent, then all the current work will be undone.

Lastly, the fan support of late especially away from home has been unreal and very much a huge part of this run so long may it continue. Get set for a traditional Clapton bumpy ride for the business end of the season!

FOUL LANGUAGE

KEEP IT DOWN

FOR THE KIDS

To increase attendances at our grounds, the Thurlow Nunn League, in conjunction with its clubs and its sponsor, Thurlow Nunn, is promoting the need to turn matches into a more family-orientated entertainment in a family-friendly environment.

The League understands that football is a game of intensity and passion. In the heat of the moment, frustrations grow, tempers can be lost and there is an urgent need to share your feelings with others.

The League also understands that, in that moment, you may use language that others may not feel is appropriate in a family setting.

Nothing will send parents and/or grandparents heading quickly for the exits with their youngsters, never to return, than a constant stream of foul language. All we ask is that you **keep it down** for the kids.

Thank you, Thurlow Nunn League.
