OPPONENTS

MAIDSTONE UNITED

Welcome to today's visiting players, coaches, supporters and officials

The current Maidstone United was formed in 2016 and first reached this level in 2021, returning this season after promotion. Last season they reached the FA Cup first round, before losing at Plymouth Argyle. Women's football in Maidstone has had a spectacular history before then. Maidstone Mote United were one of the leading teams after women's football ban was lifted in 1971 including reaching the semi-final of the Women's FA Cup in both 1980 and 1981. That club later became Maidstone United but folded in 1995. A breakaway team, Maidstone Tigresses, formed 1986 became one of the eight founding members of what is now called the Women's Super League in 1991.

Form guide

It has been an unbeaten start to the season for Tori Campbell's side as they look set to challenge Camden Town for the title and the one promotion spot. In fact The Stones have not lost a league game since January 2025 and are top of the table on goal difference.

Previous meetings

None.

Player/s to watch

Top goalscorers this season are ex-Dorking Wanderers player Megan Wood and former Millwall Lionesses and Aylesford striker Ellie Hinkley.

KARE THURSDAY GAME

We're back here on **Thursday at 7.45pm** for our one annual midweek home game. With no other football on in London that night, let's see if we can get a decent crowd. Celebrity Traitors can wait an hour or two...

Every season, we are mandated to play a home and away game in midweek against the same opposition, and this season we have been paired with **Dulwich Hamlet Reserves**.

FTFA FIXTURE

There's an extra game at the **Old Spotted Dog Ground** on **Saturday, November 7** when our **FTFA team play Comets**, old rivals of our Women's First Team. **Kick off is 12 noon**, which means it doesn't clash with the Men's First Team away game at Barking, kicking off at 3pm.

Like our **Women/NB**

Development Team, our **FTFA Team** play outside the FA pyramid in the London Women's Saturday Football League, which means they can remain properly inclusive. However, these games usually get played on municipal pitches so we wanted to move some fixtures to the OSD where possible.

AWARDS SEASON

Clapton CFC have been awarded the international award at the prestigious **2N Awards in Catalonia!** The ceremony is on Friday in Lleida. The awards recognise the work and dedication of individuals or groups who champion human rights, civil liberties, and the anti-fascist struggle.

Meanwhile Clapton CFC has also been nominated for this year's **Football Content Awards in the category: Best Football Club in Women's Football**. The event will take place at Anfield in Liverpool on November 19.

BLACK HISTORY MONTH

As part of **Black History Month**, we are publishing a series of Q&As giving people from different parts of our club the opportunity to **talk about their experiences of football, their relationship with Clapton Community FC**, their own histories and identities, and what they

would like to see from the club and from football more broadly.

The first Q&As were in the Benfleet programme yesterday and the next batch will be in the Dulwich programme on Thursday. You can also read them on our website.

ALICE SHARPE

WOMEN'S FIRST TEAM HEAD COACH

I missed the last game and I may miss more, at least the away ones... and the ones where Trenna is successful in making me stay in bed. I am pregnant and have gestational hypertension, which is high blood pressure that develops during pregnancy. Doctors orders is to avoid high stress situations, and this teams start to the season is not good for my heart or the future tiny Ton. Thank you to Jack and Brian for taking over so seamlessly!

October is Black History Month, and there are several pieces in Thursday's programme when we play Dulwich Hamlet Reserves at the OSD, that I hope you read. Some things are more important than football, but football concentrates wider trends onto the pitch, so I want to start with mine.

The latest MBRRACE-UK report, published in September, covers maternal deaths in the UK from 2022 to 2024. Black women died at nearly three times the rate of white women. Women in the most deprived areas, including Newham, died at about twice the rate of those in the least deprived.

Women's football has a version of the same problem. We do not see enough players, coaches or staff from global majority communities in the women's game, and our own club is not exempt.

What we do about it has to be agreed and written down, not hoped for. The creating of spaces for women's football is something I think as a club we can be proud of, when it's not all women we have to hold up a mirror and agree to do better.

NO MORE DEATHS
AT THE HANDS OF
THE STATE!

ANNUAL
REMEMBRANCE
PROCESSION

Saturday
31st October, 2026
12pm Trafalgar Sq

**WE DEMAND AN END
TO STATE VIOLENCE -
WILL YOU JOIN UNITED
FAMILIES AND FRIENDS**

United Families & Friends Campaign (UFFC) is a coalition of families from across the UK affected by a death at the hands of the state, and the subsequent lies and coverup concerning the circumstances of their loved ones' deaths.

Established in 1997 as a network of Black families, UFFC now includes people from all backgrounds affected by these injustices.

On the last Saturday of October every year is our annual remembrance procession - first a silent walk to remember all those killed by the state, and then we raise our voices to demand justice.
Will you join united families and friends?
