OPPONENTS

FRENFORD FC

Welcome to today's visiting players, coaches, supporters and officials

Frenford was founded as a boy's club in 1928 by Jack Carter - who their ground in Ilford is named after. The senior football section began in the war years, playing in local leagues until joining the Essex Olympian League in 1995. In 2018 the Eastern Counties Football League Division One South was formed and they successfully applied to join. In 2022/23 they won the title and promotion to the Essex Senior Football League, where they've been since. Over the past 10 years Frenford has developed its Youth and Women's section and now has a record 30 teams across all sections.

Form guide

After finishing second bottom last season, Frenford were reprieved from relegation due to other clubs folding. A new coaching team then arrived, consisting of joint managers ex-Sporting Bengal manager Imrul Gazi and midfielder Steven Carvell, and their fortunes this season have been completely revived. They currently sit joint top.

Previous meetings

We've not played competitively before, but we met in a friendly in the summer which ended 0-0.

Player/s to watch

As well as Carvell - expect Briggsy-style dead ball deliveries - there's top scorer Christan Gyamfi, formerly of Concord Rangers, Romford and Clapton FC.

500th

CCFC LEAGUE GOAL

Andre Odeku's second goal against Ilford in the recent 3-1 win was also the **team's 500th league goal** since formation.

The **100th goal** came in the 36th game on 29/2/19 when **Eliot Crosbie** scored the second in a 3-1 win at Yeading Town.

It took a **further 38 games to hit 200**, when **Fred Taylor** scored the fifth in the 7-2 home demolition of Cricklewood Wanderers on 22/10/22.

Another 42 games later, on 02/12/23, **we reached 300** when **Noah Adejokun** scored the opener in the 4-0 home defeat of Park View.

It took **56 more games to reach 400 goals**. That was **Sam Cook's** second and the team's third goal in the 3-2 win at Brimsdown on the 13/8/25.

Andre's milestone **500th goal** was scored in the **222nd league game** since formation, 50 games after the 400th goal.

55 different players have contributed to the **500 goals**, with the leading scorers:

79	Fred Taylor	40	Julian Austin
48	Noah Adejokun	22	Lewis Owiredu
43	Sherwin Stanley		and Arthur Wright.

GEOFF OCRAN

MEN'S FIRST TEAM MANAGER

We just have to put Saturday's 2-0 defeat at Barking down to one of those games. If we were to get something out of it, we needed all the key moments to go our way. A lot of enforced changes due to injury, availability or suspension meant we had to set up to really contain them and make use of the chances we had on the transition.

However, when you concede first, you have to adapt and we never got a chance to settle before giving away another penalty shortly after. So there are no complaints from me in terms of fight, endeavour and commitment but we just lacked a bit of quality to go with the final entries we had on the day.

There are two home games this week now starting tonight in the league cup against Frenford, who are flying in the league. It's our last chance of a cup run this season so we want to try and progress into the next round. However, we do have to also look to rotate with a big game coming up in the league against Woodford Town on Saturday. A few players are playing on knocks already so may have to be protected. We have a chance to continue our excellent home form of late and to start another run after Saturday's defeat!
